Filed : July 12, 2000
Page : 2

In the Specification:

Applicants amend the Specification on page 2 line 4 as follows:

61
In 1984, a company called White Pine developed CU-SeeMe, a video chat software. The company has since changed its name to CU-SeeMe Networks, and it hosts an Internet site with the domain name of "cuseemeworld.com." (~~http://www.cuseemeworld.com/~~) which allows chatters to view live video and hear audio of other chatters(4).
